Caroline Searles – April 13, 2010
Quilt size 16" x 20"

Supply list:

30 - 4" fabric squares to blend with the neckties you bring.

10 neckties (Caroline emailed that she is bringing lots of extra ties for our use, but you may want to use some from your own family member)

3 fat quarters (2 for the top and 1 for the backing)

Light weight batting, 20" x 25"

Decorative Cording (to embellish the top of your quilt)

Thread to match backing fabric

Mono CLEAR thread (to apply the decorative cording, this acts as the final quilting)

Sewing machine and standard sewing supplies.

Plastic bag for your scraps and threads.

YOU WILL HAVE LOTS OF NECKTIE PIECES LEFT OVER, SO YOU MAY WANT TO MAKE SEVERAL SMALL QUILTS OR EVEN A LARGER SIZE SO ALL THE CHILDREN CAN HAVE A PIECE OF "DEAR OLD DAD'S " NECKTIES.
